

TMIL Installation Meeting Nov 4th 2017

Our 1st Installation was a great success with excellent work by all concerned.

A normal Installation in Monmouthshire involves the visit by the PGM, RW Bro. Derek Thomas, the DPGM, VW Bro David Powell, and the rest of Provincial Grand Lodge Officers with many Grand Officers. There was no exception at this our first Installation Meeting. An impressive team to make the meeting a truly memorable occasion.

The day was about the change over from Roy Morris, our Primus Master, to Michael Herman both pictured here with Tim Huckle (SW) and Roger Ogden (JW)

Of course there was work to be done before hand as can be seen by the main players, including Clayton (DC), deep in contemplation.

Out with the OLD

..... and in with the NEW

And after:

Immediately after his Installation our new WM was welcomed into the Province by the PGM and the rest of the Provincial team.

The festive board followed which was enjoyed by all as can be seen by the following photos

Some of our Brethren from afar. George had travelled from Durham, and Darren from Hertfordshire

Our Secretary, David, pointing something out

Plenty of smiles around
